2 CLIENT DECLARATION

I hereby confirm that I wish to participate in the Dangote Refinery IPO and authorize AXYS Investment Bank to process my application in accordance with the applicable offer documentation. I confirm that the information provided above is true and complete, and that I have read, understood and accepted the terms, risks and conditions applicable to the offer.

3 IMPORTANT TERMS, RISKS & CONDITIONS

01 Participation and allocation are subject to the applicable terms and conditions of the IPO, the issuer's offer documentation and the final allocation process. The client account is held under an Omnibus Account held with our Nigerian partner on this transaction.

02 The amount invested in Kenya Shillings or USD may be converted for purposes of the investment. The final allocation value is subject to the applicable USD/Naira exchange rate at the date of allotment and/or the rate applicable under the offer process.

03 The client acknowledges the risk of volatility between the US Dollar (USD), Nigerian Naira (NGN) and Kenya Shilling (KSH). Changes in these exchange rates may increase or reduce the effective value of the investment and/or returns when measured in KSH. The application attracts a 2% processing fee, net of foreign exchange costs, bank charges and any other third party costs.

04 Allotments are not guaranteed and are subject to the allocation made by the issuer/offer process and any applicable allocation rules. Allocations will be done net off applicable fees.

05 Where a refund becomes due, it will be processed after receipt of the relevant funds from the issuer/offer process, subject to applicable procedures.

06 The client acknowledges that an IPO investment is subject to market and price volatility and that the value of the investment may rise or fall after listing.

07 The terms and conditions of the offer, including any amendments or final instructions issued by the issuer or relevant authorities, shall prevail over this application form.

08 The client authorises AXYS Investment Bank, where required, to share relevant client information and documentation, from time to time, with the issuer, regulators, banks, brokers, custodians and other authorised parties where required for processing, settlement, compliance or administration of the offer.
